## WHY ALWADI?

### 1. Transparency .

We at **ALWADI** are very Transparent in terms of advising our clients about the status of their debt portfolio whether it is:

- 1- Collectible or not collectible.
- 2- Domestic or abroad collection
- 3- Short, medium, or long term collection

### 2. Free Consultation & Due diligence.

Before starting the collection process we offer free consultation & due diligence to our clients to provide them with clear picture about their debts and to enable them to take the right decision.(e.g. collection, legal collection, write off, etc, ..)

## WHY ALWADI?

### 3. 360° Legal Support.

Having our legal firm gives us the required swift support to evaluate the case status whether we have strong or weak case. This helps in planning a practical and smart collection process.

### 4. No Collection No Fees.

For medium and large corporate we offer the proposal of No Collection No Fees and this will guarantee our clients the highest level of performance and results.

AL WADI
